# CLOSEST TO THE STADIUM

Only On Location Experiences guests will enjoy pre-game parties in and around the stadium for ease of access on gameday.

An aerial photograph of Minneapolis, Minnesota, centered on U.S. Bank Stadium. The stadium is a large, modern structure with a distinctive, angular roof. Surrounding the stadium are various urban buildings and streets. Three callout boxes with white text point to specific locations: 'BUFFALO WILD WINGS CLUB' points to a building to the left of the stadium, 'DELTA SKY360 CLUB' points to a building to the right, and 'THE ARMORY' points to a large, domed building in the lower-left corner of the image.
